Section 2: Tournament Structure

Each competition will have a distinct tournament structure. Please refer to the competition specific information for further details.

2.1 Pool Stage Matches

The first round of games will be played in pools on a round-robin basis. For composition of pools please see competition specific information. Following the pool round there will be knock-out rounds.

2.1.1 Play will consist of matches between teams in the same pool on a round-robin basis. Pool matches will be seven (7) minutes each way with a one (1) minute half-time break.

2.1.2 All Pool Matches carry the following points:

- 3 points for a win
- 2 points for a draw
- 1 point for a loss
- 0 points for a no show, abandonment, or referee disqualification

2.1.3 In the event of two or more teams being equal on competition points for any position in the pool table the higher placed team will be determined using the following sequence:

- 1) If two teams are involved and have played each other, the winning team will take the higher position. If more than two teams have equal points this rule will not apply.
- 2) The margin of points scored for and against a team in all pool matches shall be considered. The team with the highest positive margin of points shall be ranked higher in the pool table. In the event that the tie remains unsolved then;
- 3) The team that scores the most tries in all pool matches shall be ranked higher in the pool table. In the event that the tie remains unsolved then;
- 4) The team that scores the most points in all pool matches shall be ranked higher in the pool table. In the event that the tie remains unsolved then;
- 5) The team that concedes the least points in all pool matches shall be ranked higher in the pool table. In the event that the tie still remains unresolved then;
- 6) The winner will be decided by the toss of a coin between the Managers of the teams concerned.

2.2 Knock Out Stage Matches

Following the completion of the pool stage matches there will be knock-out final’s stages. The draw will be based upon the team positions in the pool tables. For details on the knock-out stages please see the competition specific information.

2.2.1 All quarterfinals, semi-finals and finals will be played on a knock-out basis.

2.2.2 All quarter-final, semi-final and final games will be seven (7) minutes each way with a one (1) minute halftime break.

2.2.3 In the event of a match being drawn at the end of normal time (in the knock-out stages) extra time will be played, in five (5) minute periods until a winner is determined. There will be an interval of one (1) minute after full time has been declared then play shall commence with a coin-toss, the winner of which chooses either, which way to play or which way to kick-off the period of extra time. The first team to score will immediately be declared the winner and play will cease. After each five (5) minute period of extra time, teams will change ends, without stoppage, and resume play.

2.2.4 **Important** - For all Invitation Tournament Finals taking place on Pitch 1 due to time constraints associated with the scheduling of the HSBC World Rugby Sevens Series and associated Broadcast imperatives, in the event of a match being drawn at the end of normal, **one period of 5 minutes** extra time will be played during which, the first team to score, will immediately be declared the winner and play will cease. In the event that after the 5-minute period of extra time, no one has scored and been declared the winner, the Trophy will be shared between the 2 Finalists.

2.2.5 For all matches, should the Referee decide there is a clash of shirt colours the Referee will call both team captains together and toss a coin; the loser will change shirts. This will take place at the time of the scheduled Coin Toss for the Match which will take place at Half Time of the preceding match on that pitch.

2.2.6 Due to scheduling constraints play will continue as often as possible to avoid any delays. Referees will penalise unnecessary delays as time wasting. All games are required to kick-off on time. The organisers may change pitches without prior notice to facilitate completion of the tournament on time.

2.2.7 All teams are required to be at the allocated (or replacement) pitch and ready to start play five (5) minutes before the scheduled kick-off time. Team Managers must report to the Match Manager at this time.

- 2.2.8 All Team management must have the requisite accreditation to enter the Playing Enclosure and Teams may warm up 'In goal' during the game preceding their own as directed by the Match Manager.
- 2.2.9 The Winners and Runners Up of each Section will receive automatic qualification to Enter next year's Tournament, subject to meeting the relevant Entry Payment Criteria and Timelines which will be communicated well in advance of the event. In the case of the International Invitational Men's and International Vets (as distinct from the International Vets Social), the Semi Finalists / Top 4 Finishing Teams will qualify under the terms outlined above.

Section 3: Rules of the Tournaments

- 3.1 The rules of the Tournaments, including their interpretation, are matters for the Disputes Committee. As such the Tournament Management will appoint a Disputes Committee to arbitrate on all matters concerning the rules of the Tournaments. The Disputes Committee will be convened only in the event of an official written complaint being registered with the Tournament Manager (refer to 3.5 below) or at the discretion of the Tournament Manager. The complainant and affected parties may be required to attend a hearing at the discretion of the Disputes Committee. Failure of the complainant to attend will render the complaint void. In the event of any matters arising that are not covered by the Tournament Rules, or ambiguity of the Tournament Rules, the Committee shall make a ruling after interpreting the rules in the best interests of the tournament. Its decision shall be final, without appeal.
- 3.2 All matches will be played in accordance with the current ‘Laws of the Game’ and the rulings therein, together with all by-laws and directives of World Rugby and directions published in the Tournament Rules. The English text of the World Rugby Handbook (as published by World Rugby including all 7-a-side variations) and this Tournament Rules manual shall be authoritative and final.
- 3.3 Teams, Players or Team Management who breach the tournament rules will jeopardise their team’s likelihood of being invited to participate in future tournaments.

- 3.10.2 Teams who ‘no-show’ without informing the Tournament Manager or Registration Manager in advance, will not be invited to participate in future tournaments.

3.12 Declaration of Squads, Teams and Replacements

Team squads registering for all Sevens (7s) sections will consist of a maximum of twelve (12) players. All twelve (12) players are eligible to play in each match. Teams may use up to five substitutions each match (see Section 5 Substitutions, Replacements and Stoppages). Teams must have a minimum of seven (7) players, (fit to participate in the match) on the pitch in order for a match to start.

Team squads registering for all Tens (10s) sections will consist of a maximum of fifteen (15) players. All fifteen (15) players are available to play in any individual match with substitutions being made on a rolling basis. Teams must have a minimum of ten (10) players (fit to participate in the match) on the pitch in order for a match to start.

- 3.12.1 A player, having been registered in a team, irrespective of whether he or she has taken part in the tournament, cannot register or make themselves available for registration in any other team.
- 3.12.2 Each squad must register their team with the Registration Tent no later than one (1) hour before their first game of the tournament. Squad players must personally sign the Squad Registration form to become an official squad member and prior to participating in any matches.
- 3.12.3 Non-registered players are not eligible to play or participate in squad activities at any time. If a Team is found to have played an Unregistered player, they may be disqualified with immediate effect from the Tournament and suspended or banned from participation in future Emirates Dubai 7s Tournaments.
- 3.12.4 A player may be removed from the squad once the respective team's match programme has begun only in the event of an injury that has been formally recognised and signed off by the Tournament Medical staff. Such approval must be presented to the Registration and Administration Tent. Acceptance of such will be at the sole and final discretion of the Invitational Tournament Director.
- 3.12.5 In the event that the above scenario is approved, said Team is at liberty to select an available Member of the Official Player Pool (OPP) who has been identified at the sole discretion of Tournament Management, to be playing at a level appropriate to the Team participating in that Section. For the avoidance of doubt, a player from the OPP who has already been selected by a participating Team becomes immediately ineligible to play for another team, whether that have taken the field or not.

Once contacted by a Team, the selected Pool player must agree to play for that team and may not select which team they play for.

In accordance with the above guidelines, a Team required to replace a player must do so from the OPP and not from another Team.

Players from Teams who have been knocked out of the Tournament in which they are competing, may then register to be a Pool Player by attending the Registration Tent in the Invitational Hub. That player is permitted to participate for a team which participates at the same or higher level than the Team he / she played for – this will be approved by the Invitational Tournament Director and will only take place in the event of an injured player being signed off for a Team.

- 3.12.6 **Important Note:** With reference to the Clauses 3.12.4 and 3.12.5 above, in the interests of sporting integrity and fairness, no squad replacements, medical or otherwise will be permitted just before a Team plays in a Semi Final or Final.
- 3.12.7 Teams must register for each game by presenting themselves to the on-pitch Registration Staff (located in the Pitch Marshall stand on the pitch on which they are due to play) no later than 20 minutes before the match is due to start. The on-pitch Registration Staff will check the players carry accreditation and that they are registered to play in that team. Players may be required to surrender their players' Accreditation Pass to the on-pitch Registration Staff prior to the commencement of the game.
- 3.12.8 Players must enter the Playing Area through the Gates at Half Way. Any player who enters the Playing Area at any other location (e.g jumping over advertising hoardings) without an Accreditation check, may be refused permission to participate in their next match.
- 3.12.9 Once a player has been eliminated through injury and his/her name deleted from the Squad Registration form, that player can take no further part in the Tournament and cannot be re-instated at a later date or time.
- 3.12.10 The Referee is the sole judge of fact and law and will take into consideration medical information available prior to ruling whether a player is fit to participate in a match.
