# Introduction to Emirates Dubai 7s

Emirates Dubai 7s is the largest sports and entertainment event in the Middle East. Its ongoing evolution into a fully-fledged music festival alongside the World Rugby HSBC SVNS makes it the ultimate weekend of the year for amateur and social sports teams looking for a weekend of competition and fun in the sun.

2023's event hosted over 6011 participants and 420 teams of all levels and ages, across its rugby 7s, netball, cricket, fitness and

padel tennis tournaments. With the 3-day festival also featuring 5 stages of live music and DJs, an impressive kids and family zone, and a huge array of food and beverage options, this really is the leading mass-participation sports festival on the planet. Emirates Dubai 7s 2024 promises to be its biggest yet; with international music artists promised for both the Saturday and Sunday nights, and many more surprises in store.
